# Word Challenge

Knock, knock. Who's there? House. House who? House it going?

For each word listed, write your own definition. You may use your text book to look up any unfamiliar word, but you must write a definition in your own words.

- |                     |                      |
|---------------------|----------------------|
